

Agenda - Mönchengladbach

In advance:

- Please send me 1 - 3 designs of a project logo from each school done by pupils until the end of October. I will prepare an election of the best one. The logo you know from the start of our homepage is only a placeholder.
- Do you celebrate the International Day of Tolerance (16.11.2019) at your school? Please, tell me how.

Big Points:

- Please prepare a movie or presentation about your school / town / country - not longer than round about 8 minutes please.
- Please prepare a presentation (Word is okay) that points out the most important problems with integration of minorities, migration or refugees at your school from the perspective of the teachers. That will help us in the discussion.

Small Points:

- Getting to know each other
- Expectations for this project? Fears, hopes
- What experiences have you made with international projects? What was funny, annoying, satisfactory? How did the students react?
- Budget
- Meetings in Portugal, France, Turkey and Bulgaria (Please, bring with you a calendar with all important dates.)
- Role of hosts
- Role of guests
- Selection criteria for pupils
- Work between the meetings in classes, workshops, courses?
- Public Relations
- Evaluation
- Contact of participants (Email, facebook?, Whatsapp?)
- What has to be done for the meeting in Estonia?
