

Agenda - Pärnu

In advance:

- Please, prepare the songs for the festival Songs of various Nations.
- Informe your colleagues and - if possible - your town (newspaper) about our first meeting in Mönchengladbach.
- Discuss solutions for the presented problems with your colleagues, parents and pupils. Solutions is perhaps a big word. In the presentations of the problems in the other schools and in the discussion afterwards did you find some hints or suggestions for the educational work in your school?
- We can share the impressions of the workshops (tolerance and identity flags) with our colleagues and pupils or repeat it at the other schools.

Big Points:

- The festival Songs of various Nations
- Debating workshops

Small Points:

- Information about the meeting in Portugal
- First ideas for improving work at your own school with a view to tolerance and anti-discrimination
- First ideas how to find common values
- Do we have a new e-twinning space?
- Public Relations
- Evaluation
- What has to be done for the meeting in Portugal?
- Others
