

# Agenda - Resende

## In advance:

- ✓ Please, prepare a sketch or scene for the presentation in Resende to perform it live or as a recorded movie.
- ✓ We need the dialogues of the sketches or scenes written down in English language. And a student or teacher should moderate the discussion/feed back after the performance
- ✓ Inform your colleagues and - if possible - your town (newspaper) about our second meeting in Pärnu.
- ✓ We can share the impressions of the workshops (suitcase, shoe fish, hate speech, argumentation and debating) with our colleagues and pupils or repeat it at the other schools.

## Big Points:

- ✓ The presentation and recording of the scenes and the discussion afterwards
- ✓ The interims report with a look to the mobility tool

## Small Points:

- ✓ Information about the meeting in France
- ✓ First ideas for improving work at your own school with a view to tolerance and anti-discrimination
- ✓ Workshop for Common values
- ✓ Public Relations
- ✓ Evaluation
- ✓ What has to be done for the meeting in France?
- ✓ Others
